CALCULATION OF POINTS:

Points will be calculated from the number of events per category that is stated in the final version of the Nordic Drag Racing Series invitation for this year.

EXTRA POINTS, SUPER CATEGORIES:

In SST, SG, SC, SGB and SB does the competitor earn 20 extra points (max once per event) if he/she during qualifying is the first one in that category to make a pass exactly on the category index.

Example: If a Super Gas competitor during qualifying runs 9,900 (1/4 mile), then he/she earns 20 extra points.

QUALIFYING POINTS:

In all categories within Nordic Drag Racing Series, the competitor earns qualifying points, up to 16, depending on the qualifying position.

Example: No 1 qualifier 16 points, no 2 qualifier 15 points, no 3 qualifier 14 points and so on. At entry fields of 17 vehicles or more, points are only awarded to the top 16 qualifiers.

ALTERNATES:

Once qualifying has been concluded and a ladder has been established, pairings will not be changed. However, should a qualified car and driver be unable to make the first round of elimination's (not reach the bleach box), an alternate will be inserted in their place. The quickest non-qualifier will take the first available space, the second quickest non-qualifier the next available space and so on. When and if this happens is at the sole discretion of the Clerk of the Course. First round points will be kept by the qualified driver. If an alternate driver is inserted but is eliminated in the first round he will not get any points. If the alternate is eliminated in the 2nd round, or later, the points from the first round will be deducted.

POINTS, NOT QUALIFIED:

A competitor is awarded 20 points if he/she is not qualified but has made a valid qualifying run.

POINTS, CANCELLED CLASS:

If the class is cancelled before qualification, present competitors in the cancelled class will be awarded 50 points.

POINTS, CANCELLED EVENT:

If the event is cancelled before elimination's, all qualified competitors will be awarded 50 points in addition to qualifying points.

If the event is cancelled between elimination rounds, all in the ladder remaining competitors will be awarded next round's looser points. Example: If it starts to rain and the event is cancelled after round 1, all in the ladder remaining competitors will be awarded 70 points.

If the event is cancelled in the middle of a round, all competitors remaining in the ladder at the start of the current round will be awarded the current round's looser points and those pairs in this round that has raced will be cancelled.
