Dear Racer

We are writing to you to ask for your help. As most of you know we have a limited area for pitting of your vehicle and we normally have to squeeze everybody in and make best of what we have. It is therefore essential that you give us your exact width and length dimensions so we can try to plan it as properly as possible, please make the effort to measure your combination so that you can give us the exact measurements. We will not guarantee a wider pit space than 6.705 meters and that will include your awning. Those of you who have a wider combination will not be able to use your awning here at Santa Pod. In some circumstances booking of extra space can be made but only by using the extra pit space booking form. Extra space will not be guaranteed until receiving written confirmation from Santa Pod Raceway.

Thank you for your help.
